“ And as for Chris... what can I say!! Was that a ceremony, or was that a ceremony?! Nailed it!! Absolutely incredible! We are eternally grateful to you x x x ”

### *Elaine & Nick*

“ Thank you! Chris was our only choice of celebrant, we wouldn't have wanted anyone else, and he was absolutely fantastic. He made everyone laugh, and cry, and all the guests said that the ceremony was beautiful... Chris is a wonderful person and Nick and I are feel very fortunate that we have you in our lives now. Lots of love x x x x ”

### *Congratulations...*

Firstly, congratulations if you are planning a wedding, civil partnership ceremony or a renewal of your wedding vows, as that might be the reason you're reading this brochure! This is such a special day, which requires planning for every aspect. So now you can relax. You've found an experienced Celebrant who can guide you through the ceremony to celebrate this special moment in your lives: the Wedding Celebration or Civil Partnership Celebration, or Renewing your Vows.

### *A Personal Celebration...*

A celebrant's role is to help you and your family and friends to celebrate this very special day, and to create beautiful memories that everybody can enjoy. Some couples find that the short legal ceremony as conducted by a Registrar is too short and quite impersonal, whereas a Wedding Celebration or a Celebration of a Civil Partnership is a very personal ceremony, very similar to a traditional wedding service. Many couples also wish to celebrate their years together with a personal Renewal of Vows ceremony. Do visit my website at [chrisberry.org.uk](http://chrisberry.org.uk) for a more detailed explanation of how I can make your ceremony personal and special to you.

### *To Love and to Hold...*

You are in capable and experienced hands, as you can see if you read the comments from some of the very happy couples I've had the honour and pleasure of serving. I hope you'll become one of them, as we create a very special and memorable celebration of your union, or the anniversary of it, something friends and family will talk about for years to come.

### *Charlotte & Jason*
